<sup>1</sup> The vocative of all nouns and adjectives is always like the nominative except in singular nouns in the "-us" of the 2nd declension: these have "-e" (i.e. "serve!").

**EXCEPTIONS:**

- (1) Proper nouns in "-ius" and "filius" have only one "ī" in the vocative singular, i.e. Vergilius - Vergilī, filius - fili.
- (2) The vocative singular of "Deus" is "Deus."
- (3) the vocative masculine singular of "meus" is "mī."
